Penalty Shoot-Out Rules:

If penalty kicks are needed to decide the outcome of a game you must choose the amount of players to take penalty kicks by these numbers:

U9: 7 players per team // U11: 9 players per team // U14: 11 players per team

Players selected can be on or off the field at the end of regulation play. The goalie can be one of the players to take penalty kicks.

5 players will shoot penalty kicks to start for each team. If, at the end of the 5 players there is still a tie, a sudden death shootout will take place. If, after all the players on the field have taken a kick, there is still a tie the kick order will start at the beginning again until a winner is produced. ONLY the kids who are chosen to take penalty kicks take them (and if there is one kid NOT picked, we up the # to include that one).

Those selected for penalty kicks should remain on their team's side of the field by the build-up or midfield line. Those not selected must sit on the sideline.

IMPORTANT: Teams are to set up on separate sides of the field. This includes coaches and parents. Also, coaching from behind the goals is not allowed.
